MEMORANDUM FOR: ✓ Deputy Director for Intelligence
Deputy Director for Management and Services
Deputy Director for Operations
Office of General Counsel
Comptroller
Director of Security
Director of Joint Computer Services

SUBJECT : S. 2963 and S. 2964, Bills on Criminal Justice
Information Systems

1. Attached for your review is the excerpt from the Congressional Record containing the text, analysis, and floor comments on the Administration bill, S. 2964, establishing a uniform system to control the dissemination and handling of criminal justice information, and on S. 2963, a bill on the same subject authored by Senator Ervin.

2. It appears that our intelligence information collected in support of drug law enforcement activities and other collected information involving possible criminal prosecution would come under the provisions of the proposed Acts.

3. The Senate Committee on the Judiciary (to which the bills were referred) may not request Agency views on the bills; however, it is requested that you submit your comments to [redacted] of our office if you feel we are seriously affected and Agency action is necessary.
